

Kocaeli Journal of Science and Engineering (TR DİZİN)

Authors must check the similarity of the paper that will be submitted to the Journal. The total similarity rate must be less than 15%. Also, the similarity rate from one source must be less than 3%.

The participants of ICOLES 2021 can submit their papers to Kocaeli Journal of Science and Engineering for regular editorial evaluation. Selected-limited number of articles will be published after review process. Authors must write “This paper has been presented at ICOLES 2021.” in the comments to editor step.

Last date to submit a manuscript: December 25, 2021

Submission: Submit your paper via online submission system

<https://dergipark.org.tr/tr/pub/kojose>

Follow the style of the journal to prepare your manuscript.

Thermal Science (SCI-Expanded)

The participants of ICOLES 2021 can submit their papers to Thermal Science for regular editorial evaluation. Selected-limited number of articles will be published after review process. **Authors must pay the publication cost after the acceptance.**

Last date to submit a manuscript: March 30, 2022

Submission: Submit your paper via online submission system

<http://thermalscience.vinca.rs/>

Follow the style of the journal to prepare your manuscript.

Turkish Journal of Science

The participants of ICOLES 2021 can submit their to Turkish Journal of Science for regular editorial evaluation. Authors must note that “This paper has been presented at ICOLES 2021.” in the omments to editor step.

Last date to submit a manuscript: December 30, 2021

Submission: Submit your paper via online submission system

<https://dergipark.org.tr/tr/pub/tjos>

Editor-In-Chief: Prof. Dr. Ahmet Ocak AKDEMİR

Follow the style of TJOS to prepare your manuscript.

Tasarım, Mimarlık ve Mühendislik Dergisi - Journal of Design, Architecture & Engineering (DAE)

The participants of ICOLES 2021 can submit their to Journal of Design, Architecture & Engineering for regular editorial evaluation. Authors must note that “This paper has been presented at ICOLES 2021.” in the omments to editor step.

Last date to submit a manuscript: December 30, 2021

Submission: Submit your paper via online submission system

Follow the style of the journal to prepare your manuscript.

Journal of Mathematical Analysis (E-SCI)

The participants of ICOLES 2021 can submit their papers to Journal of Mathematical Analysis for regular editorial evaluation. Authors must note that “This paper has been presented at ICOLES 2021.” in the content of the email.

Last date to submit a manuscript: December 30, 2021

Authors must pay publication cost after the acceptance.

Submission: The authors should send to the secretariat of the Journal in this email:

journalma@gmail.com

<http://www.ilirias.com/jma/>

Managing Editor: Prof. Dr. Naim BRAHA

Journal of Inequalities and Special Functions (E-SCI)

The participants of ICOLES 2021 can submit their papers to Journal of Inequalities and Special

Functions for regular editorial evaluation. Authors must note that “This paper has been presented at ICOLES 2021.” in the content of the email.

Last date to submit a manuscript: December 30, 2021

Authors must pay publication cost after the acceptance.

Submission: The authors should send to the secretariat of the Journal in this email:

journaljiasf@gmail.com

<http://www.ilirias.com/jiasf/>

Managing Editor: Prof. Dr. Naim BRAHA

Bulletin of Mathematical Analysis and Applications (E-SCI)

The participants of ICOLES 2021 can submit their papers to Bulletin of Mathematical Analysis

and Applications for regular editorial evaluation. Authors must note that “This paper has been presented at ICOLES 2021.” in the content of the email.

Last date to submit a manuscript: December 30, 2021

Authors must pay publication cost after the acceptance.

Submission: Authors may submit manuscripts for publication through any member of the editorial committee but should also send a copy of their manuscript to the Secretariat of the journal.
